- The REACH (Regional Emergency Assessment @ Community Hospital) Teams are operational throughout Riverside County including Western, Mid-County, Moreno Valley Pass, & in the Desert. The program has 33 openings and we currently have 22 total staff. We have several positions that job offers have been made on, however are waiting for conditional employees to pass background and physical examinations per county policy.
- 3 Clinical Therapist positions are conditionally filled

- It is anticipated that by the end of April 2016 the conditionally filled positions will be permanently filled.
- 3 Behavioral Health Specialist II positions have not been filled, however we are actively recruiting for these positions. However due to the anticipated opening of the Crisis Stabilization Units the worksite for these positions have not yet been operational (2 positions) & the third positions duties of follow-up / case management are being delegated to existing within class staff on a temporary basis.
